Session 65: New vibration state alters the reality that you live

- What is the Crithen Energy as it relates to Gandhi Cluster. What is the higher conscious level . The higher the electrical field the greater the knowledge you are able to contact.
- Can we measure the electrical field you are referring to? Bio feedback equipment, looks like a counter
- Sweet grass and sage will sends a message to spirits to move on to oneness
- The explorer creates the energy field and other energies Aurora fill the booth.
- Is it possible for another to channel the Gandhi cluster? Ans. Yes anyone can contact us. They just have to go to up 27 degrees Right 2 North 7
- The new vibration states alters the reality that you live. The learning cycle is closer cause effect and the return become faster. She creates information you have to watch what you think because more manifestation of thought .
- The Akashic records are like the Crithen energy books that play.
- Look for the ego filter in new energies that are channeled.
- Describes a earth based channel that is not Friend.
- ask the channel to work through and find a higher source of information.
- Crithen does not wish to channel with another explorer
- What is the most important thing that we can communicate to the human race? There is another reality out there. This is only a small portion of reality. We create our own reality, health and illness.
- Winter's development with Dr. Dalberg
- There is within you a place of light, love and peace. There is within you a place where I am.
